

## HSE-Endeavor Early Robotics Team awarded with Gracious Professionalism Award

HSE-Endeavor is proud to announce that we were recognized by 2 plaques for “Gracious Professionalism” and “All-Star Parent” during Saturday’s Early Robotics Tournament at Burbank Middle School in Houston, Texas. Total of 27 robotics teams from different Texas schools participated in the tournament and the tournament participants from HSE-Endeavor are - Casey Briscoe, Adriana Rucoba, Angel Hernandez, Nicholas Sparks and Jay Rawal.

Ms. Tasheba Sparks, volunteering parent also went far and beyond to help out the tournament organizers by managing and controlling the crowd and helping in making it a successful event, hence was recognized as an “All-Star Parent”. We would like to express special thanks and congratulation to Ms. Sparks for her support and help during the tournament.

Congrats to HSE-Endeavor team and good luck to those who will be participating in May 2012 tournament! Let’s keep up the hard work as always and aim to win!
